QSP Solutions specialise in the provision of management systems consultancy services including quality, environmental, health and safety and information security management.

All our management consultancy services are delivered by professionally qualified and experienced employees. All work is in accordance with written procedures, with lines of responsibility and accountability defined and checks incorporated.

To achieve this, we are committed to a continual improvement culture throughout the organisation based on stated company objectives and the EN ISO 9001 standard.

We are certified to ISO 9001 and all our procedures, checklists and instructions comply with this standard. The principles embraced in the ISO 9001 standard have been embodied in our formal Management System. This system is an essential organisational framework that will allow us to gain competitive advantage, as well as reinforcing and enhancing the organisation's reputation and image.

QSP Solutions is committed to complying with applicable legal, regulatory and statutory requirements and ISO 9001. As such the policy:

- Requires the setting and reviewing of Quality and Business Objectives, which derive from an analysis of the needs of interested parties, internal and external factors, mitigating actions and the performance of key processes.
- Includes a commitment to satisfy applicable requirements (customers, legislative, statutory).
- Commits QSP Solutions to continually improve the Management System.

The Proprietor is committed to ensuring that sufficient funds and resources are made available to ensure that quality can be achieved.

The policy of the Proprietor of QSP Solutions is aimed at implementing and maintaining quality and safety in an effective and economically practical way. The basic principle is that it should be possible to meet the requirements agreed with the client and satisfy their expectations at any time.
