25th August 2026

To whom it may concern

Industrial PC Solutions Ltd have used the Consultancy Services provided by QSP Solutions since 2011.

QSP Solutions guided us in the re-implementation of the Quality Management System, which was certified to ISO9001:2015 on 5th August 2025 by Atlas Certification Ltd.

We would have no hesitation in recommending QSP Solutions to any organisation that requires ISO9001.

Yours Faithfully

M Naughton.

Mary Naughton
Operations Manager
