Dear Sir or Madam,

In June 2017, Brag Engineering Ltd requested QSP Solutions to develop an ISO9001:2015 Quality Management System within the company.

QSP developed the Quality Management System including the documentation, internal quality audits, problem solving and system improvements.

Brag Engineering were certified to ISO9001:2015 on 20th September 2017 and we would have no hesitation in recommending QSP Solutions for Quality Management System development.

We utilise the services provided by QSP Solutions to maintain our ISO9001:2015 Quality Management System.

Yours Faithfully
