

4<sup>th</sup> July 2019

Dear Sir / Madam

QSP Solutions were the consultants contracted by Workwear Express Ltd in 2007 in order to develop Management Systems to meet the requirements of ISO9001, ISO14001 and OHSAS18001. Workwear Express Ltd were certified to ISO9001 in June 2007. We gained certification to OHSAS18001 in November 2008 and ISO14001 in January 2009.

QSP Solutions were the consultants used to transition to ISO9001:2015 and ISO14001:2015. As part of this process, the Management System was integrated, including OHS18001:2007, using PAS 99.

Workwear Express Ltd now have a fully integrated Management System including:

- Integrated Management Processes
- Integrated Operational Process
- Risk Management Processes
- Integrated Management Reviews
- Integrated Objectives and Improvement Processed
- Integrated Internal Audits

The company aim to gain certification to ISO45001:2018 with Lloyds Register in December 2019, again using the services of QSP Solutions

If you want to gain certification to ISO9001, ISO14001 and ISO45001 and have a fully Integrated Management System, then Workwear Express recommend you contact QSP Solutions.

Yours Faithfully

Mr. James Smith  
Operations Director
